# ZNAČILNOSTI IN ČASOVNICA SPRINT „NO DRAFT“ TRIATLONA

The sprint triathlon counts for Slovenian Cup and Alpen Adria Cup according to categories in each cup.

The competition is in the form of "NO DRAFT" chronometer sprint triathlon, which means that each competitor goes to the track alone and must do it independently, without drafting on the bike course.

The use of time trial bikes is also allowed on the cycling part.

The start of swimming will be made in time intervals (30sec - 1 min) according to the total number of applicants.

The competition starts with the relays, women and last men.

The starting list of the competition will be known on Saturday 27th of August on the website [www.competitionclub-lj.si](http://www.competitionclub-lj.si), the facebook page of TK Ljubljana and on [prijavim.se](http://prijavim.se)

# SPRINT SWIM COURSE

- Swimming will take place in 10 lanes of the large pool.
- Each athlete counts the swim lengths himself; the official is there only for control.
- Competitors will start at intervals of 30,, to 1 min.
- The start is on the opposite side of the pool where the exit from the water is. At the exit, help will be provided to those who will have problems with the edge of the pool being too high.
- Competitors must (according to the start time) report to the starter latest 1 minute before the scheduled start time. Then they can go to the warming-up pool to warm up.

# SPRINT BIKE COURSE – 3 LAPS

- Drafting is NOT allowed!
- Time trial bikes are allowed.
- In the case of the penalty (yellow card), the competitor must serve the penalty in the "penalty zone", which is located immediately at the exit to the running part, where there is also a board where the numbers of the punished are written.
- The penalty must be served at the exit on the run. Otherwise, the athlete is disqualified.
- The penalty for drafting is 1 min!

Competitors can climb the bike at a point marked ON the TRACK with a lane on the road. After the turn to the right, the riders complete three laps of 6.7 km (20.1 km in total), which are technically demanding. The descent from the bike is in front of the line marking the descent from the bike.

# SPRINT RUN COURSE – 3 LAPS

- There are 3 laps in the sprint run with a total length of 5 km.
- There is a run in both directions along the access corridor to the pool, so the athletes stick to the right side.
